## **Descriptions**

### ***Legal Issues Involved in Working with Children and Adolescents, March 21& 22***

This one-and-a-half day program will address issues unique to working with the juvenile mental health, mental retardation, and substance abuse populations. Topics to be covered include consent to treatment, confidentiality of minors' medical records, the Psychiatric Inpatient Treatment of Minors Act, clinical assessment of minors, and tips on working with Guardians Ad Litem, Court Appointed Special Advocates, and the Department of Social Services.

\$45 (includes lunch)

### ***Civil Commitment Recodified, April 26 & 27***

This one-and-a-half day program will cover changes made in the recodification of Title 37.1 into 37.2 and provide basic information on obtaining emergency custody and temporary detention orders and the legal criteria and procedures involved in the commitment of adults and juveniles. Other topics to be addressed include medical pre-screenings, the impact of EMTALA, transportation issues, and the role of law enforcement, special justices, and magistrates.

\$45 (includes lunch)

### ***Informed Consent and Substitute Decision-making, June 8***

This full-day program will focus on the elements required for obtaining a consumer's informed consent to treatment and other matters. We will review in detail the legal alternatives to obtaining substitute consent when the consumer is incapable of making decisions on his or her own behalf. Topics include assessment of capacity, guardianship, appointment of health care agents, legally authorized representatives under the Human Rights Regulations, court ordered treatment, and the Virginia Health Care Decisions Act.

\$15
